Hi Section Chief! ☺

I need to start reviewing the documents related to the first FOIA request we received from USG (regarding facility in MN). Did you already go through these documents once?

Thanks.

Good morning,

Will you be able to go through the responsive and exempt records in relativity early next week, or have you completed that already? I have all the email correspondence ready to go, but I need your final approval in order to submit for signoff.

I do not recall if you have been granted access to EPA-R5-2016-002835 Relativity pull, but if you haven't please contact David Hoff hoff.david@epa.gov for access.
